

By-Law Committee Report

TO: Board of Governors – Hidden Lake Association
FROM: Bob Kiehm
SUBJECT: By Law Committee Report for October 2020
DATE: 10/31/2020

The By-Law Committee has been reviewing the Hidden Lake Association By-Laws over the past several months. I am happy to report to the Board of Governors that we have come to consensus on the language of several sections (9) that we feel need to be updated. Most of the changes are grammatical, however there are some changes that are more significant. The following sections will be submitted to the BOG for their approval to be submitted to the entire association at the next annual meeting. The complete revisions will be emailed to the board members this week.

Section 22	President - grammatical changes
Section 23	Vice President - material changes, some grammatical
Section 24	Recording Secretary - material changes, some grammatical
Section 25	Financial Secretary - grammatical changes
Section 26	Treasurer - grammatical changes
Section 30	Budget - grammatical changes
Section 32	Disbursements - grammatical changes
Section 34	Signing of Checks - material changes
Section 40	Recreation Building - material changes

We were unable to come together on language about Section 50 Mobile Homes (camping).

I did learn late yesterday afternoon that Barry Hoberman resigned from the committee. I have been approached by several interested people to join the committee. One being Heather Edelson who expressed an interest this past summer.

I would like to thank Barry for his work over the past two years.

Respectfully Submitted
