HLA Lake Committee Meeting

Meeting Called 6:30 PM

Members present are in bold:

Sheri Berger, Jay Cassella, Anthony Grandazzo, Victoria Nicholson, James Nicholson, David Chalifoux

Project Status:

- Water collection test sampler is in shipping (damaged, had to return)
- 2nd water test, proposed to check only West Cove as a cost savings based on 1st test
- Beach signs have been ordered
- Discussed businesses being run from residents housing, Air BNB/Verbo, people are renting their properties which has been determined to be a by-law violation
- Dead trees by lakeside are to be addressed, news letter and registered mail to remind homeowners it's their responsibility to remove dead trees on their property (before they fall into the lake)
- Bathymetric map is to be delivered in July, Action Item, Jay to speak with AER
- Beach entrance posts that hold the cabling to be painted for safety/visibility, Action Item: Jim
- East Shore beach erosion was repaired
- Geo Grid to be placed on East and West Shore beaches based on the positive results from Shore Beach. The installation is planned for this fall when we lower the lake for our fall cleanup and reclaiming the sand at the beaches this year
- Ledge Rd. drainage repair is in planning stage, TBD
- Landscape company moved, need to find a new company, Action Item: Jim
- Dam Inspection preparation: West side of dam spillway needs plants to be removed (Uprooted) to pass the state inspection, in work, TBD

Meeting Closed 7:55 PM
